NOTES:
This Plan is illustrative only and subject to change by the Developer from time-to-time in its sole discretion. No builder or contractor is authorized to make any representations about present or future development plans for Emerson including the status of the Plan and Buyers may obtain current information from the Developer's representative at 410-992-6028. Buyers are also responsible for reviewing publicly approved development plans on file at the relevant agencies of the County and Developer reserves the right to seek amendments to such plans in its discretion.
